12th March 2021

Nursery Hill Newsletter

Dear Parents/Carers,

We are so glad that the children are back in school, joining our key worker children. They were all very excited to come into school to see their friends and their teachers. We have had a packed week, in the morning focussing on Reading, Writing and Maths. In the afternoon we have been taking part in lots of PSHE and SMSC activities to support the children and staff with their mental health and well-being.

Thank you to the parents/carers who returned the DfE laptops. We hope that you have found them useful when supporting your child with remote learning.

We are all back at school, with face to face teaching, but we want to know, if we should ever be in this position again, how we can improve our practice. Please access a short survey here <https://www.surveymonkey.co.uk/r/SM88MZ7>

You can also use the QR code to take part in the survey, the questionnaire will be available until **Tuesday 16th March 12.30pm**. Thank you.

Mother's Day

Sunday brings Mother's Day; some people celebrate Mother's Day and think about a special female that looks after you. Remember to be thankful to those you care about and care about you.

Secondary School

We would like to remind all of our year 6 parents to accept or decline the secondary school placement offers. If you have yet to apply for your child/ren secondary school please do so as soon as possible. Both actions can be completed on the school admissions website <https://www.warwickshire.gov.uk/admissions>

Nursery Hill Primary School World Book Day

“Reading can take you to places you have never been before” Dr. Suess

This year our World Book Day was slightly different due to schools still being in lockdown. However, this did not stop children and staff from embracing the love of reading and celebrating World Book Day.

We were thrilled to see so many families make an effort with costumes despite the situation. We had some really creative and well thought out examples of literary characters. Please see our Twitter page for photographs @nursery_hill or @NurseryHillEYFS

Children were given plenty of activities to explore literature including “Guess the adults in school favourite book”, The adults in school read their favourite children’s stories and books to children in different classes. Children were also set reading challenges as well as being asked to read snippets from their favourite books. They also created a new cover for, or picture of their favourite book.

We also had a visiting author, Christine Perkins, in school who read extracts from her book and explained how she wrote her book ‘Jack Flynn and the Pirates Porthole’. The children were very excited to see a real-life author.

All in all, we had a lovely day. Well done children, remember

“The more that you read, the more things you will know”.

Red Nose Day

On the 19th March the school will be celebrating Red Nose Day. The children will be taking part in lots of fun activities. For the occasion we would love to see your child/ren dressed in their brightest coloured clothes, we want to see as many colours as possible. We'll be doing activities all day linked to Red Nose Day, this includes Maths Writing Reading PSHE activities.

Why do we take part in Red Nose Day? Helping people less fortunate than ourselves.

We will also be performing (socially distanced) the Jerusalem dance. Get practicing!! The following link is a suitable tutorial for the children to practice for Red Nose Day

<https://www.youtube.com/watch?v=zrKyX669few>

Donations towards the Red Nose Day charity would be much appreciated.

Respecting others

Can we please ask that when dropping off and collecting your child/ren from school that you show respect to our neighbours near to school. We have had some complaints from the neighbours that parents from our school have been parking in front of their drives and allowing their child/ren to run over their gardens. Please remember to be kind.

Dates for your Diary

Friday 19th March – Red Nose Day

Thursday 1st April – Break up for Easter

Monday 19th April – Return to school

Stay safe. Be kind.

Yours sincerely
Ms J Clarke
Head of School
