## Before and After School Club—An Introduction

Our Before and After School Club is run by the school using our own staff. We do not use an outside provider. We believe that this ensures that the children at Nursery Hill continue to be cared for by our policies and ethos.

The aim of Before and After School Club is to offer professional, affordable care for parents. We do not aim to make substantial profit and therefore keep prices at a rate where we can afford to pay our qualified staff and keep adult to child ratios at an appropriate level.

### Janet Mulhern

Janet is the Manager of After School Club. She has worked at Nursery Hill for fifteen years and has worked with children for over twenty five years. Janet is NVO3 qualified and is trained in Paediatric First Aid. She works in our Early Years Unit in the mornings and our Pre-School in the afternoon. This means that our youngest children are comfortable in club because they already have an existing relationship with her.

**“Janet cares about children so deeply. She has had a significant impact on my daughter’s development and for that I cannot thank her enough.”**

### Joanne Cope

Joanne is our Playworker, who works alongside Janet in the mornings and afternoons. She is NNEB trained. Joanne has extensive experience of childcare, both as a personal Nanny and she has eleven years experience of working in Schools and Baby Units in America.

**“She understands children and communicates effectively. My children just love her and trust her.”**

### Opening Times
