Nursery Hill Newsletter

Dear Parents/Carers,

Today is the end of the first full week of Autumn term 2. A lot has happened in the World since we were last at school. On Saturday the Prime Minister decided, after advice from his Scientific Advisors to put the whole country into lockdown. In order to save lives and save the NHS. He stated that we must all work together to keep ourselves and others safe.

On Monday, the school Website (under COVID19) was updated with a letter and a flow chart from Warwickshire County Council. Can we please draw you attention to it. Please read it carefully because it outlines, in line with Government guidelines how we can keep ourselves and others safe.

Schools are still open. At Nursery Hill we will still be following our Risk Assessment, which we are continually reviewing and updating. Can I ask you to support us by adhering to our school guidelines.

You will have noticed that staff have been wearing their masks when they come outside to collect and deliver the children to the playground. This is in case they urgently need to talk to parents at the beginning and end of the day. Please continue to follow the school guidelines by phoning into school. Your message will be taken and the Teacher will get back to you at the end of the day. It is very important that we keep ourselves safe. (Parents/carers, children and staff who work in school)

Nursery Provision

We have some excellent news for parents and carers in school and in the community. The Governing Body met on the last day of Autumn Term 1 (Friday 23rd October) and made the decision that as a school we will be offering full time Nursery provision.

The Nursery children will be part of our Early Years with a curriculum personalised to meet their learning needs. Please let everyone know and if they/you are interested in their/your child joining our Nursery Hill family they/you can contact the school office via email or telephone call for more details. This will make a great difference to school and to the early learning lives of the children.

It is our mission for everyone to flourish and exceed expectation in an inspiring environment where unique, confident children will sparkle.
We are on top of the hill and reaching for the stars.

Parental questionnaires

Thank you to those parents who returned their questionnaires. We are very interested in finding out your views. The questionnaires will be analysed and the results shared with you during Autumn 2. The analysis will also be used to inform the development and improvement of the school. Thank you.

School neighbours

Can I please ask parents/carers to be respectful of our neighbours. Please do not obstruct their drives when parking. Thank you.

Social media

Please support us in keeping our children safe. Not only outside on the streets/roads open spaces etc but at home as well. Please carefully monitor what your children are doing when they are on the Internet. This could be playing games or watching films. Please note that any social media, such as Facebook, Instagram and Snapchat are for children aged 13 and over.

School Council – Poppy Appeal

As a school we are always thinking of ways to support different charities. During this week we have been accepting donations from the children to support the Poppy Appeal. All monies raised will be used to support those men and women who fought for our freedom and democracy. Poppies will still be on sale next week leading up to Remembrance Day- Wednesday 11th November 2020. Thank you.

Children in Need – Friday 13th November 2020

We will be taking part in the Children in Need Fundraising Day. We will be linking all our activities that day towards physical exercise. Research has shown that physical exercise helps to develop good mental health and well being. So, as school we will be doing lots of activities outside in the school grounds. So, on that day, Friday 13th November 2020, the children can wear their sports kits, Football/Rugby/Netball or any sports shirt as well as their PE kit to school on that day. Let's see if we can raise lots of money to help children and families less fortunate than ourselves.
