World Book Day

Can you wait? We can't! It's World Book Day on Thursday 5th February. Children will have the opportunity to come to school dressed up as their favourite book character. There will be lots of exciting book related activities for the children to take part in. Your children will be given a World Book Day book token to use at participating book shops. Look out for the posters in local book shops! They will be able to use their token to get a World Book Day for free or £1 off their favourite book. These tokens are valid until 29th March. There are some fascinating titles to choose from – have a look at your

token for ideas.

Coronavirus Advice

Please encourage your children to wash their hands regularly. Public Health England has given advice to schools stating that hands should be washed with soap and water after breaks and sports activities, before cooking and eating, on arrival at any childcare or educational setting, after using the toilet, before leaving home and arriving home.

If they need to cough or sneeze to **catch it** in a tissue, **bin it** and **kill it** by washing your hands.

Yours sincerely,

Ms J Clarke
